

1412 Mount Darragh Rd Lochiel

SAPPHIRE

Roadside post box, concealed country lane, timber bridge traversing a crystal clear stream – your 8 acres of serenity awaits. The meandering drive slowly reveals a special place, a home lovingly created and surrounded by established gardens and nature's bounty. Intoxicatingly idiosyncratic, the cottage is bathed in natural light, at the fulcrum is the kitchen and dining/family area (gorgeous hardwood floors) and divine wood heater out to separate garden and deck areas, small sitting room, large master (s/c heater) through to sunroom, rear deck and balcony, utility room/laundry complete with shower & vanity (second living/bedroom). Outdoors to a cracking high clearance, 3 bay carport with magic indoor garden/vegie section, storage shed/workshop, netted and enclosed strawberry, boysenberry & kiwifruit patch, small established mixed orchard, several water tanks and mains power. Partially cleared with a good stand of native eucalypts and even a small creek flat and of course big starry nights, clean country air and rural vistas to inspire. Your special place yet just a leisurely country drive (17min) from all the conveniences of Pambula township and extra (3min) to the beach.

Serendipity awaits.
