SETTLERS COTTAGE

This incredible property consists of a substantial 4br, 2 bathroom main residence, historic Settlers Cottage (Circa 1915) featuring 2 BR's, wide verandahs and 10ft ceilings currently used as a successful airbnb and a separate 'cafe' building utilised as a large 1 BR studio apartment, huge shed/w'shop and exc. off-street parking set on a marvellous 1.38 acre high exposure dual access site. These elements combine to create a unique opportunity to acquire the ultimate home business set up or just a convenient extended family haven. The 'cafe' building presents as new with verandah & courtyard alfresco areas, large open living featuring raked ceilings, stainless commercial kitchen & new bathroom. The more modern main residence features polished hardwood timber floors & 9ft ceilings throughout with open plan living, dining & kitchen, BIR's, ensuite to master, wide covered verandahs and huge backyard all combine to ensure a spacious & functional family home.
